July 2007 Newsletter

June 2007 Activity Review

In June, three of our scouts participated in Chief Tarhe's Hike for Scouting and completed a five mile hike. We also had our Mini-Trip adventure on Lake Erie. Four Scouts from our troop joined with Troop 241 on this four day adventure. The activities included: Swimming in Lake Erie, Fishing for Walleye (including a huge fish fry Sunday Evening), a day at Cedar Point as well as a very nice conservation tour. Our troop has already been invited to participate in next year's Mini Trip with Troop 241 which will be Whitewater Rafting!

July 2007 Summer Camp

Troop 165 is off to Summer Camp. As a reminder, please ensure that both the boys and parents look over the Summer Camp information that has been handed out and that is also posted on our website (www.165bsa.com) on the Forms page. This will detail all information that is necessary for your son to get the most out of his summer camp experience. Parents, if you wish to visit during the daytime, you may do so by registering at the camp office each day you visit. You will need to bring your own food and refreshments. The boys will have plenty to eat at the dining hall so you are asked not to bring any food into the campsite.

August 2007 Activities

August 5, 2007 – Car Show Fundraiser

August 6, 2007 – Annual Planning Conference 6:55 pm in the Connections Café at Fairfield Christian Church (PLC, Scoutmaster, Assistant Scoutmasters). Any other registered Troop 165 leader is invited to attend.

August 11, 2007 – Day Trip to Moundbuilders State Park, Newark Ohio (Fulfills last requirement necessary for Indian Lore and American Heritage).

August 26, 2007 – Court of Honor (Time and Place to be determined).

Summer Camp Required Physicals

All scouts attending summer camp need to get their summer camp physical forms (**Class 1 and 2**) to Mr. Marshall prior to departure (please do this prior to the day we leave). Any adult planning to stay more than 72 hours also needs to have a completed physical.
