

God and Church

Dear Scouts and Parents:

I had mentioned two weeks ago I would be starting the God and Church program for the boys sixth through the eighth grade. I plan on starting the program in March. I plan on having the program weekly on Tuesdays at 7 (place TBD). The cost of the program is \$22, this includes: the student book, the medallion, certificate, religious knot, shipping and pizza. The adults can also participate for additional \$5 (you would have your own book). I strongly encourage parent participation it will draw you closer to your son in a great way. However, I will need at least one parent in the room with me at every meeting (two deep leadership) if no one plans on working on this with their son. I would need at least \$4 for each book by next week so I can get them ordered the remainder will be due by the end of the program. I really hope you will consider this experience with your son. I have been truly blessed by doing the other programs with my son and have grown myself from the experience. If you have any questions please feel free to ask.

**Thank You
David Heeter**
